

INVITATION TO TENDER

CONSTRUCTION, INSTALLATION, COMMISSIONING, AND MAINTENANCE OF 150KW PV SOLAR PHOTOVOLTAIC (PV) SYSTEMS: CENTRAL MEDICAL STORES (CMS), MATSAPHA & LUBOMBO REFERRAL HOSPITAL, SITEKI, ESWATINI

Right to Care, in collaboration with the Eswatini Ministry of Health, invites qualified contractors to submit tenders for the construction, supply, installation, and commissioning of ground-mounted solar photovoltaic (PV) systems to support PSA plants at:

- Central Medical Stores (CMS), Matsapha
- Lubombo Referral Hospital, Siteki

Scope of Work:

- Construction and installation of ground-mounted solar PV arrays on appropriate support structures.
- Installation of solar control equipment at CMS within the dedicated room in the new PSA plant house (currently under construction).
- Installation of solar control equipment at Lubombo Referral Hospital inside a suitable shipping container (cost and delivery of the container must be included in the tender).
- Solar Panels: All panels must have individual capacities greater than 500W.
- Micro-inverters must be included as part of the system.
- Battery storage is not required.
- Complete earthing system, including all earthing rods and mats.
- Lightning Protection: Adequate lightning protection for the entire system is required.

Both site briefings will take place on the same day, allow for travel between sites.

1. Central Medical Stores, Matsapha Bid No: 05/05/2025

Compulsory Site Visit & Briefing:

Tuesday, 04 June 2025 at 09:00

Meeting Point: Training Room, Central Medical Stores

2. Lubombo Referral Hospital, Siteki Bid No: 06/05/2025

Compulsory Site Visit & Briefing:

Tuesday, 04 June 2025 at 13:00

Meeting Point: Lubombo Referral Hospital (next to PSA Plant)

Closing Date for Both Bids:

Tuesday, 24 June 2025 at 12:00
