The California Air Resources Board ("CARB") implemented amendments to the In-Use Off-Road Diesel-Fueled Fleets Regulations ("Regulation") which went into effect on January 1, 2024 and apply broadly to all self-propelled off road diesel vehicles 25 horsepower or greater and other forms of equipment used in California. A copy of the Regulation is available at <https://ww2.arb.ca.gov/sites/default/files/barcu/regact/2022/off-road-diesel/appa-1.pdf> Bidders are required to comply with all CARB and Regulation requirements, including, without limitation, all applicable sections of the Regulation, as codified in Title 13 of the California Code of Regulations section 2449 et seq. throughout the duration of the Project. Bidders must provide, with their Bid, copies of Bidder's and all listed subcontractors' most recent, valid Certificate of Reported Compliance ("CRC") issued by CARB. Failure to provide valid CRCs as required herein may render the Bid non-responsive.

Copies of the Bid Documents are now on file and available for public inspection at Public Works Department at 4305 Second Wind Way, El Paso de Robles, California. Interested bidders must obtain copies of the documents electronically.

The Contract Documents will be available electronically, at no cost, at [DemandStar Paso Robles, CA](#). Bidding procedures are prescribed in the Contract Documents. Each bidder must submit bid security in one of the following forms: cash, cashier's check payable to City, a certified check payable to City, or a bid bond in the form included with the bid documents, executed by an admitted surety insurer, made payable to City in an amount equal to at least 10% of the total amount of the bid or proposal.

Pursuant to Section 1770, et seq. of the California Labor Code, the successful bidder and all subcontractors shall pay not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations.

Pursuant to Labor Code Section 1725.5, for bids due on or after March 1, 2015, all contractors and subcontractors that wish to bid on, be listed in a bid proposal for, or enter into a contract to perform work on the Project must be registered with the Department of Industrial Relations pursuant to Labor Code sections 1725.5 and 1771.1. No bid will be accepted, nor any contract entered into if the bidder is not registered as required by law.

Pursuant to Public Contract Code Section 22300, for monies earned by the Contractor and withheld by City of El Paso de Robles to ensure the performance of the Contract, the Contractor may, at its option, choose to substitute securities meeting the requirements of Public Contract Code Section 22300.

All bidders shall be licensed under the provisions of the Business and Professions Code to do the type of work contemplated in the project. In accordance with provisions of California Public Contract Code Section 3300, City has determined that the Contractor shall possess a valid **Class C-4** License (Boiler, Hot Water Heating and Steam Fitting) at the time that the bid is submitted. Failure to possess the specified license shall render the bid non-responsive.

The successful bidder will be required to furnish a payment bond in the amount equal to one hundred percent (100%) of the Contract Price, as well as a faithful performance bond, in the amount equal to one hundred percent (100%) of the Contract Price. The bonds shall be on the forms included in the Contract Documents.

City reserves the right to reject any or all bids; to make any awards or any rejections in what it alone considers to be in the best interest of City and waive any informalities or irregularities in the bids. The contract will be awarded, if at all, to the responsible bidder that submits the lowest responsive bid. City will determine the low bid.
