

Call for Tender: Supply and Installation of a Photovoltaic Solar System

Organization: Solidarités International

Project Location: Maiduguri, Borno State, Nigeria

Reference: SI-NGA/2025/01/SOLAR

Description:

Solidarités International invites experienced and qualified suppliers to submit offers for the supply, installation, and commissioning of a photovoltaic solar system with lithium batteries. The project involves:

- A 60 kVA solar system integrated into the existing electrical network.
- Supply and installation of solar panels, lithium batteries, inverters, charge controllers, and other required components as per the specifications in the Bill of Quantities (BoQ).
- Compliance with technical and safety standards, testing, and commissioning.

Requirements:

Interested suppliers must demonstrate relevant experience in similar projects and provide:

- Proof of similar projects completed (minimum 3 contracts or service acceptance forms).
- CVs of technical staff and certifications.
- Corporate registration documents (CAC), tax clearance certificate, bank details, and ID of the manager.

Submission Deadline:

All offers must be submitted via email to **tenders@solidarites-nigeria.org** no later than **4:00 PM (West Africa Time) on January 17, 2025**. Late submissions will not be considered.

Request for Terms of Reference and BoQ:

To obtain the detailed Terms of Reference (ToRs) and Bill of Quantities (BoQ), please send a request to:

- **dpt.log.coo@solidarites-nigeria.org**
- **cc:** it.off@solidarites-nigeria.org, log.coo@solidarites-nigeria.org

Ensure your email subject includes **Request for ToRs and BoQ - Solar System Installation**.

Contract Start Date: The contract is expected to commence on **February 1, 2025**.
