

Supply and Delivery of Essential Medicines & Medical Equipment

Ox Enterprise Organization

Bid No: OX-RS/GD-19122024

City: Red Sea & Gadarif States

Deadline: 10 Jan 2025

Description:

Background Information

This tender is part of a humanitarian initiative to address the urgent healthcare needs of displaced communities in Sudan. The recent challenges and crises have left many individuals and families without access to essential medical supplies. As the humanitarian department of OX Enterprises, **OX Humanitarian Relief** aims to ensure the timely delivery of high-quality medicines to Port Sudan (Red Sea) and medical equipment to Gadarif, supporting vulnerable populations and enhancing their access to critical healthcare services.

Our mission is to provide life-saving support and improve the resilience of communities affected by displacement, conflict, and poverty. By partnering with reliable suppliers, we aim to deliver sustainable and impactful healthcare solutions that align with our core values of compassion, equity, and dignity for all.
