

EXPRESSION OF INTEREST

LICENSED ELECTRICAL CONTRACTORS

Paradise Energy Solutions PTE LTD is embarking on various projects in Fiji aimed at revolutionizing the energy landscape and innovation in energy conservation packages. As a reputable entity committed to excellence and innovation, we are seeking licensed electrical contractors to collaborate with us in bringing these projects to fruition.

We are particularly interested in engaging with contractors who possess the following qualifications and capabilities:

1. Valid electrical contractor license in Fiji.
2. Proven experience in electrical installations, maintenance, and troubleshooting.
3. Demonstrated adherence to industry standards and best practices.
4. Capacity to deliver projects on time and within budget.
5. Commitment to safety protocols and regulations.

If your company meets these criteria and shares our commitment to excellence and sustainability, we invite you to express your interest.

To express your interest or request further information, please submit your EOI with business profiles via email to - solutions@goodenergy.tech
