Invitation to tender for a framework agreement

1. The Hebron Municipality wishes to use a portion of its allocations within the general budget to pay the amounts due under purchase contracts that will be awarded under the framework agreements for the supply of sewerage network supplies HMWDS20257 that will be concluded through this main procurement phase.

2 The Hebron Municipality is conducting this main procurement phase with the aim of concluding closed framework agreements as the sole purchaser. Therefore, it invites qualified bidders to submit sealed bids for the supply of

-1- Concrete rings and parts for manholes.

2 plastic pipes of different diameters.

3 cast iron manhole covers.

4 Supply of materials for the rehabilitation of the sewage network.

3 The framework agreements to be concluded will be for a single user. The only buyer entitled to purchase under the agreement is the Hebron Municipality.

Framework agreements will be concluded with a single supplier.

5. Procurement contracts will be awarded to suppliers who are parties to the Framework Agreement through the secondary procurement stage as specified in the Agreement, although the conclusion of the Framework Agreement does not impose any obligation on the procuring entity or participating buyers to purchase supplies under the procurement contracts, and the Framework Agreement does not guarantee

that any supplier who is a party to the Agreement will obtain a procurement contract under it.

Framework agreements will be concluded for a period of 12 calendar months, renewable for a period of 12 calendar months from the start date specified in the framework agreement.

7 The public tender will be conducted through a request for competitive bids in accordance with the requirements of Public Procurement Law No. (8) of 2014 and its executive regulations. It is open to all eligible bidders and the qualifications required of the winning bidder in accordance with the conditions in the tender documents.
