

FIJI HARDWOOD CORPORATION LIMITED
TENDER NOTICE – NO 02/2025-PROCUREMENT OF DATABASE SOFTWARE

Fiji Hardwood Corporation Limited (FHCL) is a Government Statutory Enterprise governed under the Public Enterprises Act of 2019. FHCL manages over 50,000 hectares of leased matured mahogany plantation forest regulated under the Mahogany Industry Development Act of 2010.

Fiji Hardwood Corporation Limited (FHCL) invites tenders from qualified and experienced software providers to supply, install, and configure a robust database management software system tailored to support our forestry operations and business requirements.

Scope of Work:

The selected software will:

1. Manage large datasets for plantation management, and operational data including harvesting data
2. Provide user-friendly interfaces for data input, processing, and reporting.
3. Link with a mapping software for visual mapping and analysis
4. Include features for data security, backup, and disaster recovery.
5. Support integration with existing FHCL systems and scalability for future needs.
6. Offer training and ongoing technical support for FHCL staff.

Eligibility Criteria:

Interested bidders must demonstrate:

- Proven experience in database software solutions for similar industries.
- Availability of technical support and after-sales services.
- Capability to customize software to meet FHCL's specific needs.
- Expertise in deploying database systems on cloud servers with high availability, scalability, and security.
- Compliance with all applicable software standards and cybersecurity protocols.

This tender closes at 4:00 p.m. (16.00hrs Fiji time) on Friday 24th January 2025.

For more information or clarification please contact to [Pauliasi Liga. Email - pauliasi@fijihardwood.co.fj. Mobile - 9997434].

Tenders should be submitted separately in a sealed envelope and clearly marked as –“Tender No. 02/2025 Procurement of Database Software” and should be addressed and posted to:

The Chairperson
