

## **Etihad Water and Electricity (EtihadWE)**

33/11 kV substations and 33 kV underground cable works in Ajman

Tender No.: 268E/2025

Last date for purchasing tender documents: June 19, 2025, 12:00 AM

Day and date of opening envelopes: June 26, 2025 12:00 AM

Financial equivalent (AED): 5000

Specialized companies registered in the United Arab Emirates, holding the necessary licenses, and wishing to participate are requested to obtain the tender documents for a non-refundable fee of only AED 5,000 (five thousand UAE dirhams).

Conditions for participating in this tender:

- The company must be registered on the Federal Electricity and Water Authority's (FEWA) list of suppliers. If not registered, the registration process must be completed to participate in the tender.
- Bids must be accompanied by an unconditional bank guarantee amounting to 5% of the total value of the submitted bid. Both the bid and the bank guarantee must be valid for 180 days from the last date for submitting bids.
- The bank guarantee must be submitted manually before the date and time of opening the tender, otherwise the offer will be rejected.

The bank guarantee must be placed in a sealed envelope bearing the tenderer's name, tender number, and tender address, and addressed to: Vice President of Supply Chain, Federal Electricity and Water Company, Al Rashidiya (1), Ajman. The bank guarantee must be issued by a bank operating in the United Arab Emirates.

Bidding Details:-

Tender fees must be paid through the electronic portal (SAP SRM ONLINE), after reading and accepting the condition that the tenderer has met the participation requirements and is qualified according to the commercial and professional license. Please note that if the requirements are not met, the bid may be rejected and the fee will not be refunded.

- This announcement is an integral part of the tender documents.
- After the tender documents are sold in the name of any company, they may not be transferred to any other party.
- The last date for purchasing tender documents is Thursday, 06/19/2025.
- The last date for submitting bids and opening the tender is Thursday, 06/26/2025, at 10:00 AM.
- Bidders are requested to ensure that they submit their best and final offer before the deadline for submitting bids.
- You can view the announcements of the Federal Electricity and Water Authority and the office's website via the website: [www.etihadwe.ae](http://www.etihadwe.ae)

Address: Sheikh Maktoum Bin Rashid Road, Ajman Industrial Area 1 - Ajman - United Arab Emirates
