Project Description:

To supply and install a FM-200 Fire Extinguishing System at the Archives Department located at the Lazaretto Building, Black Rock, St. Michael. The system is to be installed in Blocks A (basement & 1st floor), B (basement & 1st floor), C (ground & 1st floor), E, F and H. The Archives Department, which falls under the leadership of the Chief Archivist, is tasked with the storage and protection of public records as required by the Archives Act, Chapter 19B, 2002. Which requires all necessary measures to be taken to ensure the protection of these priceless records.
