Fiji Airports is inviting proposals in response to this Request for Proposal (RFP) for the establishment of a shared data platform for the design and implementation of capital works projects. This platform shall offer as a cloud-based Software as a Service (SaaS) solution and aim to facilitate collaboration and document management throughout Fiji Airports' capital works program from 2024 to the conclusion of 2027, with possible extension.

In this RFP, Fiji Airports seeks to identify a Respondent who is:

- (a) able to provide the Goods and/or Services required in this RFP;
- (b) able to demonstrate a commitment and ability to working in collaboration with Fiji Airports over the term of the agreed contractual period to continuously seek improvements in value, efficiency and productivity in connection with the provision of the service specified; and,
- (c) prepared to work with Fiji Airports to continue to identify opportunities for improvement in the quality and level of service provided to Fiji Airports, for the mutual benefit of both Fiji Airports and the Respondent.

Further information and conditions of tender are contained within the attached Request for Proposal (RFP) document which can be obtained by registering your interest to tenderlink.

Submissions that do not meet the RFP guidelines and conditions will not be considered. This RFP closes at 4.00pm (1600hr Fiji Time) on Thursday 07th of March 2024. Bidders are requested to submit electronic copies via same registered TenderLink. Fiji Airports will not accept any hard copy proposal submission.
