As part of the Sahel Joint Program in Response to the Challenges of Covid-19, Conflicts and Climate Change (SD3C), the Ministry of Agricultural Production and Industrialization is launching a call for expressions of interest for the recruitment of a design office responsible for the control and monitoring of the construction work of the livestock markets in Nokou and Baga Sola. Financed by a grant from the International Fund for Agricultural Development (IFAD), this project aims to structure and modernize the livestock trade in the provinces of Kanem and Lake Chad.

The **Ministry of Agricultural Production and Industrialization** of Chad is launching a **call for expressions of interest** for the **recruitment of a design office** responsible for the control and monitoring of construction work on the **livestock markets** in **Nokou and Baga Sola**, located in the provinces of **Kanem and Lake Chad**.

This project is part of the **Joint Sahel Program in Response to the Challenges of Covid-19, Conflicts and Climate Change (SD3C)**, financed by a **grant from the International Fund for Agricultural Development (IFAD)**.

Interested design offices must demonstrate their experience and expertise in the field of construction control. Selection will be made using the **"Selection Based on Technical Quality and Cost (SFQC)"** method .

Important dates:

 **Deadline for requesting clarification:** March 6, 2025

 **Deadline for submitting files:** March 20, 2025 at 3:00 p.m.

Contact for submission:

 **IFAD Projects Branch, N'Djamena**
 **+235 66 29 70 25**
