

INTERSOS - SOLAR SYSTEM PANEL INSTALLATION IN WEST NINAWA

Category: Bids and Tenders Published: 21 January 2025 Hits: 90

Tender Title: Solar System Panel Installation in West Ninawa	
Tender No: 348115	Location: Ninawa
Tender Package Available from: 2025-01-21	
Deadline for Offer Submission: 2025-01-28 at 16:00 (Iraqi Time)	

Dear Supplier

We hope this message finds you well.

We are reaching out to request a quotation for the supply and installation of solar systems for two of our centers located in **Sinjar** and **Al Qahtaniya**. The main purpose of these systems is to ensure a reliable electricity supply during the day to support our operations. Please be guided by the requirements indicated in the attached file.

Scope of Work:

1. Initial Assessment:

- A site assessment to evaluate specific requirements and conditions at both centers.
- Identification of optimal panel placement and other relevant technical considerations.

2. Detailed Bill of Quantities (BOQ):

- Following the assessment, a fully detailed BOQ / Schedule of prices is to be provided.
- The BOQ / Price schedule should include:

- Specifications of the proposed solar Systems and related components (e.g., inverters, batteries if needed, wiring). **Size and capacity of each system should be guided by Annex 1: Power Requirements**
- Quantities, unit prices, and total costs. **Please complete Annex 2: Price Schedules (Supply and installation of Solar Systems in Sinjar and Al Qathaniya)**

- Warranty details for equipment and installation services.

1. Implementation Plan and Timeline:

- A clear timeline for the completion of the project, from procurement to installation and commissioning. Please complete **Annex 3: Delivery Schedule**

2. Additional Considerations:

- The system design should prioritize maximizing electricity output during daylight hours.
- The solution should comply with relevant safety and efficiency standards.
- Provide any recommendations to ensure cost-effectiveness and long-term sustainability.

3. Site Visit (Mandatory):

- To assist in preparing your proposal, a site visit is required. Please contact us on (tender.iraq@intersos.org) to register your visit to the sites, the appointed date for the site visit is **Sunday (January 26th,2025)**

4. Eligibility Criteria:

In order to be considered as eligible, bidders are required to provide the following:

- Copy of Valid business registration
- Copy of Valid Tax clearance certificate
- Previous experience, demonstrated by providing **3 contracts completed in the last three years of a similar nature (Supply and installation of Solar systems)**

1. Documents to be submitted for RFQ Evaluation:

- Duly completed RFQ (This Document)
- Duly completed Price Schedule - **Annex 2**
- Duly completed Delivery Schedule - **Annex 3**
- Technical Data sheets, catalogues etc.
- Warranty and After-Sales information

1. Evaluation Criteria:

- Submission of Eligibility documents (Refer to eligibility criteria) - Pass / Fail
- Submission of documents for RFQ Evaluation (Refer to documents to be submitted for RFQ evaluation - Pass / Fail
- Lead time - 20 %
- Price - 80%

Submission Deadline:

This Request for Quotation consists of:

1. Request for Quotations (RFQ form)
2. Annex I: Power Requirements
3. Annex II: Prices Schedules
4. Annex III: Delivery Schedule

Please provide your completed Office, all the above-mentioned documents by **Tuesday, January 28th,2025, 16:00H latest.**

If you have any questions or require further information to prepare the quotation, do not hesitate to contact us at (tender.iraq@intersos.org).

We look forward to receiving your proposal and hope to establish a fruitful collaboration.

Best regards,

INTERSOS Supply Unit
