

Invitation To Tender (ITT) for Clinical Service Items and Medical Test Kits

1 ABOUT JHPIEGO:

Jhpiego, founded in 1973, is a global healthcare company that works with national governments, health experts, and local communities to develop transformative healthcare solutions. It provides evidence-based interventions in Sierra Leone geared towards meeting the UNAIDS 95.95.95 target for HIV epidemic control. Jhpiego emphasizes the importance of supporting the Ministry of Health (MoH) in delivering quality HIV services through the provision of standard clinical items and enabling the environment for improved health outcomes.
