Subject: National call for tenders concerning the construction work of one (01) multifunctional platforms and supply of equipment in the Tillabéry region

WHH-Welthungerhilfe was founded in 1962. It is one of the largest German non-governmental organisations working in the field of development cooperation and humanitarian aid.

It is non-profit and claims its neutrality on the political and religious level. It intervenes in the areas of food and nutritional security, water - hygiene - sanitation, rural development and this in Africa, Asia and Latin America. Its activities are financed in Niger by donations from German citizens, but also by subsidies from the German Ministry of Foreign Affairs, the European Union, the German Skala Foundation, AA, AA SAHEL; BMZ, NORAD.

To this end, WHH-Welthungerhilfe in Niger, within the framework of its NER-1045 project entitled " Food security and adaptation to climate change by supporting economic initiatives in host communities in Tillabéry and Tahoua, Niger", is launching a national call for tenders from companies meeting the required conditions to submit a bid for the construction work of one (01) multifunctional platforms and supply of equipment in the Tillabéry region.

The process will be carried out in accordance with the provisions of the Procurement Code and the procedures manual.

⚠ This announcement is a call for tender or a notice of expression of interest which in most cases concerns structures and not individuals. Therefore, if you are a job seeker, please check that individual applications are authorized before submitting your file. Thank you for your understanding

The terms of reference are available on the WHH procurement portal (e-tender), below the link:
