Telecom Fiji Pte Limited ("TELECOM") is a provider in the telecommunications industry. TELECOM is reviewing its Fire Alarm System services and wishes to replace/upgrade Fire Alarm System. The purpose of this request for Proposal ("RFP") is to invite Proposals for the Fire Alarm and Detection System. We are pleased to invite qualified and experienced contractors to participate in our tender process for the installation of a comprehensive fire alarm and protection system. The safety of our facility and occupants is of paramount importance, and we are seeking a reputable partner to provide state-of -the-art fire safety solutions.
