International Call for Expressions of Interest (AMII)

FOR THE SELECTION OF A CONSULTING ENGINEER FOR DETAILED TECHNICAL STUDIES (APS, APD, EIES); PREPARATION OF CALL FOR TENDER DOCUMENTS (DAO) AND CONTROL AND SUPERVISION OF DRINKING WATER SUPPLY WORKS IN CITIES (MANGO; NOTSÉ; VOGAN; ANÉHO)

AMII N°02/2025/SP-EAU/DP/PRMP/CGMP

(Reference: CTG 1273 – PND-EAU II/AFD- French Development Agency)

1. The Société de Patrimoine Eau et Assainissement en milieux Urbain et semi-urbain (SP-EAU) has requested from the French Development Agency (AFD) a financing agreement for a second phase of the PND-EAU II/AFD Program, and intends to use part of the amount thereof to make payments for the services of a qualified Consultant (design office) for the carrying out of detailed technical studies (APS, APD, EIES), preparation of call for tender documents of tenders (DAO) and control and supervision of works relating to the drinking water supply of the towns (Mango, Notsé, Vogan and Mango) in Togo.

2. The Candidate's Services will be the purpose of carrying out technical studies for the drinking water supply works of the following four towns:

q Part 1: Drinking water supply in the town of Mango

q Part 2: Drinking water supply in the town of Notsé

q Part 3: Drinking water supply in the town of Vogan

q Part 4: Drinking water supply in the town of Aného

For all parts 01 to 04, feasibility studies exist. The Consulting Engineer will be responsible for:

- Taking ownership of all the feasibility studies serving as a basis for the various investments to be considered with a critical analysis of the proposed investments and avenues for improvement
- Based on the critical analysis of the proposed investments, carrying out:
 - o A preliminary draft (APS) of the investments for each sub-project and for each of the recommended variants and proposing a division of the works to be validated by the project owner (SP-EAU). The APS must include in particular the topographical surveys of all the main supply pipes and the study of the hydraulic profiles;
 - o The technical studies of the Detailed Preliminary Project (APD) with a maximum of two (2) variants;
 - o The environmental and social impact studies (EIES) and the resettlement action plan (PAR);
 - o The preparation of the Call for Tender Documents (DAO);
 - o Support to SP-EAU in the analysis of offers and the awarding of contracts;
 - o Control and supervision of works as well as monitoring of the implementation of the PGES and the PAR during the works phase.

3. The eligibility criteria for AFD financing are specified in Article 1.3 of the "Guidelines for the Award of Procurement Funded by the AFD in Foreign States", available online on the AFD website: <http://www.afd.fr>.

4. The expected duration of the services is twenty-five (25) months, including seven (07) months for studies and eighteen (18) months for the supervision of works.

5. Candidates may only submit one application in their own name or as a Group. If a Candidate (including a member of a Group) submits or participates in several applications, these will be eliminated. However, the same Subcontractor may participate in several applications.

If the Candidate is formed into a Group, the Expression of Interest must include:

- A copy of the Group agreement entered into by all of its members, or

- A letter of intent to form a Group, signed by all of its members and accompanied by a copy of the proposed Group agreement.

In the absence of this document, the offer will be deemed to be the proposal of the agent or company submitting the offer and the other members will be considered as Subcontractors.

The references and qualifications of Subcontractors are not taken into account in the evaluation of applications.

6. Interested Candidates must provide information demonstrating that they are qualified and experienced to carry out these Services (the general qualification and number of permanent professional staff, the nature of the candidate's activities and the number of years of experience, the candidate's qualifications in the field of services and in particular references concerning the execution of similar contracts).

The Contracting Authority will also examine the relevance of the Expressions of Interest with regard to the following criteria:
