requirement to
Bidding consortiums** Jointly and severally liable with authorized representative

w) Assessment of suitability

Prequalified companies provide proof of suitability by being entered in the list of the Association for the Prequalification of Construction Companies (prequalification directory).

If subcontractors are used, proof must be provided upon separate request that they are prequalified or meet the requirements for prequalification.

Companies that have not been prequalified must submit the completed "Self-declaration of suitability" form with their offer as preliminary proof of suitability. If subcontractors are used, the self-declarations must also be submitted for them on separate request. If the subcontractors are prequalified, it is sufficient to state the number under which they are listed by the Association for the Prequalification of Construction Companies. (prequalification register).

If the offer is shortlisted, the self-declarations (including those of subcontractors) must be confirmed upon separate request by submitting the certificates from the relevant authorities listed in the "Self-declaration of suitability". Certificates that are not written in German must be accompanied by a translation into German.

The form "Self-declaration of suitability" is available [online at](#)

["DTVP-Satellite EGOMV" \(https://evergabe-mv.de/Satellite/notice/CXVHYRQY1GT65LMC/documents\)](https://evergabe-mv.de/Satellite/notice/CXVHYRQY1GT65LMC/documents) or [awarding authority, see a\)](#)
