## Frontieri Consult Invites Eligible Bidders for the Procurement of Audio and Video Production Equipment

### 1. About Frontieri Consult

---

**Frontieri Consult PLC**, also known as "**Frontieri**," was founded in 2008 by a group of Research and creative professionals. The firm is managed by seasoned professionals with extensive experience in research, advertising, and communication. Frontieri is committed to articulating its clients' narratives with clarity and purpose while fostering creativity. As an extension of its clients' teams, Frontieri enhances their visibility and helps them differentiate themselves from competitors.

Frontieri has broadened its offerings beyond research and evaluation to meet specific client needs by launching a subsidiary agency called **Capra Communication**. **Capra** specializes in communication and advertising, focusing on delivering innovative media solutions tailored to address the challenges faced by its clients.

### 2. Why We Need You

Frontieri is looking to purchase a list of hardware equipment for audio and video production and invites providers to seize this opportunity.

### 3. Objectives

To procure a comprehensive list of industry-standard audio and video production equipment.

### 4. Scope of Work

The selected equipment provider will be tasked with supplying audio and video recording equipment that meets industry standards, as outlined in **section seven (7) of these terms of reference**. All items must conform to the specified quality and performance standards. Furthermore, the provider must guarantee that all equipment supplied is new and free from defects; any defective items must be replaced at no extra cost to Frontieri.

### 5. Duration/Timeline

The selected video and audio production equipment provider is required to deliver the equipment within **15 Working** days from the date of contract signing.

## 6. Responsibilities of the Supplier

- ü **Product Supply:** Provide the listed industry-standard audio and video recording equipment, ensuring all items meet specified quality and performance standards.
- ü **Timely Delivery:** Ensure delivery of all equipment within the agreed timeline of 14 calendar days from the contract signing date.
- ü **Quality Assurance:** Guarantee that all equipment supplied is new and free of defects. Any defective equipment must be replaced at no additional cost.
- ü **Documentation:** Provide necessary documentation, including user manuals, warranty information, compliance certifications, and receipts for all equipment.
