

CALL FOR TENDERS FOR THE BASIC STUDY OF THE PBF PROJECT “YOUTH FOR PEACE CONSOLIDATION AND SOCIAL COHESION IN THE REGIONS OF SEGOU AND KOUTIALA”

Deadline

2025-04-28

Documents

As part of the project "Youth for Peacebuilding and Social Cohesion in the Ségou and Koutiala Regions," UNFPA is launching a call for tenders from all legally constituted companies capable of providing services and which have the legal capacity to operate in the country or through an authorized representative for a baseline study (baseline study) in the municipalities concerned. This study will provide essential data and information, on the one hand to establish benchmarks for the project indicators, and on the other hand to better guide its implementation.

The request for quotation, the ToRs, the general conditions are attached.
