HAROUGE OIL OPERATIONS COMPANY... OPEN INVITATION TO TENDER NO. AF 19/2025

Job Description Summary

The Sub-Tenders and Procurement Committee of Harouge Oil Operations Company, a joint operating company of the National Oil Corporation of Libya and Suncor Oil Company (North Africa), announces an invitation to submit tender No. AF (19/2025) to specialized companies and holders of the necessary licenses that enable them to practice this activity.

Brief description of the project:

- Work location:

Amal field

- Brief description of the work:

Purchasing oils for compressors and turbines (Shell) 40 -
in Amal field

Order number (0027080)

As described in the job description

All companies specialized in this field that feel they have the ability and competence to carry out this work and wish to participate in this tender should apply to obtain the terms and specifications booklet by direct receipt through their representatives.

note :

The terms and specifications booklet will be received starting from:

Tuesday 05/13/2025 to Thursday 05/15/2025
from (9:30) AM to (12:00) PM.

The terms and specifications booklet will be received from the office of the Secretary of the Sub-Tenders Committee on the fourth floor (Room 444) at the company's main headquarters in Tripoli. The

terms and specifications booklet will be delivered according to the following conditions:

1. Send a letter to the head of the sub-tender committee at Harouge Oil Operations Company, stating the intention to participate in the tender, and send it via the following email:

Tender.subcommittee@harouge.com

2. The company representative must be authorized to withdraw the terms and specifications booklet by means of an official document issued by the entity he represents, stamped with the company seal and stating the name and number of the tender.

3. Submit a copy of the following valid documents:

- Business license
- Commercial register
- Certificate of proof of registration with the Chamber of Commerce
- Certificate of proof of tax payment
- Company incorporation contract
- Company articles of association
- Statement of the company's main address and branches in Libya, phone numbers and company email.

4. In the event that there are no inquiries from the bidder during the bid submission period, this means that the bidder has studied the terms and specifications booklet and it is considered clear to him from the technical and commercial point of view. Accordingly, in the event of any deficiency or change in the submitted bid from what is stated in the terms and specifications booklet, it is considered ineligible and will be excluded without the need to request clarification from the bidder.

5. Pay the sum of (300 LYD) three hundred Libyan dinars as the price for purchasing the tender conditions and specifications booklet in cash or in the form of a certified, non-refundable check in favor of Al-Harouge Oil Operations Company.

Bids shall be submitted by hand to the attention of Ms./Secretary of the Sub-Tenders Committee on the fourth floor, Room No. (444), at Al-Harouj Oil Operations Company, Al-Maghariba Street - Janat Al-Arifi - Tripoli/Libya.

The last date for receiving contractors' offers is before 12:00 PM on Thursday, 05/29/2025 AD.

The above-mentioned offers must be signed in ink and submitted in sealed envelopes, with the following written on the envelope:

Purchase of oils for compressors and turbines - Amal Field

Tender No. AF 19/2025

Inside the main envelope there are three envelopes sealed with red wax, divided as follows:

Envelope "A": Contains the technical offer.

Envelope "B": Contains the priced commercial offer.

Envelope "C": Contains the unpriced commercial offer.

The project name is written on each envelope:

Purchase of oils for compressors and turbines - Amal Field

Tender No. AF (19/2025)

note:

The bidder shall be fully responsible for all expenses related to the preparation of his bid.
