Quotation Number: 14.36.0000.034.007.09.20.005

Subject: Inviting RFQ for Gas/Powder Refill Work in Fire Extinguisher Cylinders.

Date: 27.04.2025 AD

1. Ltd. has its own funds in favor of a part of it and (he) wants to refill gas/powder in fire extinguisher cylinders subject to payment of fixed price in execution of work order against accepted quotation.

2. Detailed instructions, designs and designs (where applicable) of the proposed works and physical services shall be available at the Purchaser's office for inspection by prospective Quotationers during office hours on all working days.

3. Quotations are invited on the basis of unit-rate rates (as applicable).

4. The information required in the quotation shall be duly prepared and signed by the authorized signatory on each page duly dated and shall be submitted to the office of the person inviting the quotation on the date specified in paragraph 6 below.

5. No security shall be required for submission of quotation and performance (if mandated) such as quotation security (ie advance price in conventional sense, tender security) and performance security.

6. to be submitted in a sealed envelope dated **[06.05.2025 AD]** in the tender box kept at the office of the Managing Director, Mr. Teshis by 02:00 PM. The envelope containing the quotation must be clearly marked "RFQI for Gas/Powder Refill Work in Fire Extinguisher Cylinder" and not be opened before 06.05.2025 AD 02:30 PM. Quotations received after the stipulated or mentioned time will not be accepted.

7. All quotations must be valid for a minimum period of 1 (one) month from the last date of quotation submission.

8. Quotations received after the last date for submission of tenders will not be opened.

9. If the work order is awarded, the price quoted by the quotationer shall be inclusive of profit and overheads and all taxes, duties, fees, levies and other charges payable under existing laws.

10. The quoted price shall be in Rupees and the subsequent payments under this Agreement shall be in Rupees. Quotationer's proposed price will remain fixed during the contract period.

11. The quotationer must have the legal capacity to enter into the contract. Copy of valid trade license, TIN number, VAT registration number should be submitted as evidence of quotationer's eligibility. Besides, the quotation giver should attach the valid certificate issued by the Fire Service Directorate/Office for this work. Quotations without these may be considered unacceptable. A Bidder may submit the Bid in only one name and any duplicity in this regard shall disqualify the Bidder.

12. The evaluation committee will evaluate the quotation based on the information, lowest bid and documents submitted with the quotation. In case of evaluation, the tender with the lowest evaluated price will win if all other features, conditions remain the same. A minimum of three acceptable quotations shall be required in determining the lowest evaluated acceptable quotation for execution of the contract.

13. In case of submission of quotation on single rate basis, in case of discrepancy between the single rate or price and the total price quoted, the single rate or price shall prevail. Discrepancies between words and numbers will prevail. In case of quotation price quotation on wholesale basis, if there is an exception between figures and words, the price written in words shall prevail. The Quotationer shall be bound to accept the mathematical correctness in respect of mathematical corrections made by the Evaluation Committee.

14. Delivery of goods within 10 (ten) days of issue of work order and related services shall be completed within 20 (twenty) days from the date of issue of work order.

15. The bill will be paid by deducting VAT and IT prescribed by the government from the final bill of the tenderer who has received the work order.

15. Buyer reserves the right to cancel all quotations or purchase activities.
