These two envelopes must then be placed together in a single large sealed envelope, bearing the following statement:

“DAO N°: NRC/MPT/04/2025/002 – [LOT Number]” before submitting them to NRC.

NRC is subject to VAT, so proposals must be submitted inclusive of all taxes (TTC) and clearly displayed. By default, NRC will consider the total amount of the bid including VAT.

All suppliers working for NRC must adhere to high ethical standards, respect and enforce fundamental human and social rights, ensure the absence of child labor, and provide satisfactory working conditions for their personnel. NRC reserves the right to reject proposals from suppliers who do not meet these criteria.

Before confirming an order or contract with a supplier, NRC verifies that it fulfills its duty of care in the fight against corruption.

NRC strives to acquire products and services with the lowest possible environmental impact. Environmental considerations are part of NRC's selection criteria, and NRC reserves the right to reject proposals from suppliers that do not meet their environmental standards.

NRC is required to ensure that its procurement and purchasing decisions are clearly justified and documented and comply with mandatory donor principles. In this regard, full, on-site access to premises belonging to NRC or its contractors must be granted to representatives of NRC, the donor, or any organization or individual mandated by the donor. The right of access also includes access to all documents and information necessary for the evaluation or audit of contract implementation.

Practice of Corruption

NRC requires employees, bidders, and contractors to adhere to ethical standards when awarding and executing contracts.

If you have any doubts about the identity of the NRC representative or if you wish to communicate with NRC regarding matters of alleged fraud or corruption, or if you wish to make a complaint or claim, please call our freephone number: (+223) 80002231 or speakup@nrc.no .
