step

C) Troisième Etape (Evaluation Financière)

I have to calculate the relevant facts to value the financial offer:

1. The price (80%)
2. Delivery time (20%)

The final point calculation will have the same effect:

1. Use the façon prompt to calculate the total price given at the price: the maximum price x 80%/ considered price.
2. Please select the façon prompt to calculate the total pointage at the delivery date: To this offer. Inférieur delivery date or even 12 months with a maximum note of 20 points. To complete the training schedule, a reduction of 5 points should be a maximum of 20 points.

The total pointage of a delivery in the troisième étape: The total pointage is given at the price + the pointage is given at the delivery date

The selected speaker will be able to remove the aura that has been shaped and adhered to the original and the deuxième étape of the evaluation process and that aura obtenu the total score of the highest level in the troisième étape in tenant and considération le The delivery date and the price of each type of delivery.

2.5 Amendments

At this moment before the distribution of the market, if there is an important modification of the design of the company ADO, there is a guarantee for all fournisseurs who demand a copy of the company ADO. Aucune oral declaration that this should not be done in any way to limit, reducer, adjuster, or affect the condition or condition of the phone call, and it will not be removed from one of the declaration lines that suit it. the raison.

2.6 Modifications or retractions

The permissions to ADO do not allow modifications, components, cables, or returns at the request of the operator after the date-limit of the delivery date of the offer on the couverture, if possible, as a discretion, allow for correction. The arithmetic errors, the translation errors, or the arithmetic errors. This can be done in the house at the same time that the error and the sound output to the ADO can be made to contain many contents in the context of the sound to the ADO. Out of the number of errors that are detected, the corriger will not be automatically charged with a mistake that will allow a speaker to enter after the date-limit of offers to ADO. Allow the ADO not to complete, adjust, or charge on a date-limit date. Néanmoins, s'il le jugé nécessaire, I pas peut demander éclairissement ou une application à un fournisseur. One told me that the answer and the devront afférente would do so in writing.

2.7 Market Attribution

After evaluation and comparison of offers, there is a decrease in distribution of marches and notification of the or the licensees returned by the courier at the reception or by remise against the margings, which son(s) offer(s) a(ont) é accept(s).

Non-selective speakers will inform you of the decision. This decision will be sent without calling any records. I have returned to the archives of non-adjudicated audio files.

Yes, at the moment of distribution of the march, you will reserve the drop of the passer of the march to one or more soumissions in the function of the lots.

I can save the detector from the physical device and install the audio device and verify all the information that is available and at all times pendant to the contrat execution. Too much fraudulent fraud don't lie on your account immediately or from the contrat's announcement.

At this moment and before the date limit of the offer, I hope you will reserve the drop of the adjustment on the offer, for all intents and purposes, this is due to our initiative or in response to a formal request for clarification. A speaker, an additif is published. This add-on has been published to include an integrated part of the phone number and will communicate by email or by e-mail to all speakers who want to receive the phone number.

To donate soumissions at necessary times to receive the add-on account in the preparation of the offers, please contact the reporter's faculté for the date limit of the offer date.

I can reserve the receipt or card for the entire offer and the annual contract date and offers.

From all the offers, at the moment before the distribution of the march without this fait, encourage a responsible person to ask - to see (or the speaker(s) affected) the decision raisons.

There is a Commission for the evaluation of online offers for the final adjudication of this market.

The offers will be sent to you at the end of the day.

After completion and evaluation by Ipas, a practical procedure comprenant un rapport de taille de l'évaluation faite attribution motivation ésero nt , The comparison of offres ainsi qu'une proposition d redigés. It is possible to configure a contrat with one or more contributors who will choose this model. contrat ci-joint.
