Consultation No. 30/SDM/2025

(First launch)

The Ministry of the Interior, Local Authorities and Regional Planning is launching a consultation with interested service providers , with the aim of: **"the maintenance, upkeep and repair of pedestrian and vehicle access control equipment (retractable obstacles), lifting barriers and rotating security drums at the Government Palace, the General Directorate for the Modernization of Documentation and Archives in Dély Brahim, and the Directorate of Secure Titles and Documents in Dar El-Beida and its secondary site in Laghouat ."**

Each bidder is expected to provide us with the following documents:

- A copy of the electronic trade register.
- A copy of the extract from the role dated less than three (03) months ago.
- The NIF.
- The RIB.
- Professional references justified by certificates of good performance of the same nature signed by the project owners.

The offer must be submitted on **06/17/2025** , before **12:00 p.m.** in an anonymous envelope bearing the following statement:

"Do not open - consultation no. 30/SDM/2025"

NB:

- The service provider will be chosen according to its lowest offer among the compliant offers.
- Service providers are authorized to visit the site.
- The consultation file will be collected from the Government Palace, Avenue Docteur Saadane, Maintenance Sub-Directorate, starting from **05/25/2025**.
- the interested party must present a copy of the trade register and a copy of this announcement.
