HPVITS2025-077 | Medical Imaging Equipment and Radiotherapy Equipment

Upcoming Tender

Market release date: 13 Jun 2025

Description

The purpose of this Invitation to Supply (ITS) is:

HPVC2025-077 Medical Imaging Equipment and Radiotherapy Equipment is an open panel for the supply of medical imaging, radiotherapy, and nuclear medicine equipment to Victorian Participating Health Services.

Additional information

HSV is refreshing and re-scoping this panel with a view to having a new agreement in place by 01/11/2025.

HSV will run a supplier briefing on the 6th Jun at 9:30am. Please contact HealthShare Vic Helpdesk <helpdesk@healthsharevic.org.au> for an invitation.

Dates (including market release date) are indicative, and this information will be updated as the process progresses.

Information for prospective suppliers

All suppliers who wish to join the panel must:

Successfully undergo a pre-qualification process, demonstrating their capacity and capability to supply equipment within one or more of the modalities within the scope of this panel.

Submit comprehensive sales data within scope of the agreement.

Agree to terms and conditions of the header agreement, under which all equipment and associated services within the scope of the panel will be supplied to Participating Health Services.

Financial Assessment (undertaken by Equifax on behalf of HPV)

Insurance Requirements (Public and Professional liability)

For further information on joining the panel, please contact the Category Manager via the contact details listed on this page.
