Project Description:

The Ministry of Planning Agriculture, Housing, Infrastructure, Development and Transport are proposing to convert an existing home to a Senior Persons Center on property B&P 49A-15. The project objective is to retrofit an existing kitchen to a commercial kitchen for use in this senior center. The overall works shall be completed in two phases.

Phase 1 Requirements: Scope of Services

The consultant shall conduct a comprehensive assessment of the existing kitchen layout and provide a proposed layout to retrofit space for a commercial kitchen. The consultant will provide a detailed report inclusive of but not limited to:

1. New design configuration for kitchen
2. Staff Kitchenette
3. Provide technical sheets for products that are proposed to be upgraded
4. Recommendation for additional works to convert to commercial kitchen

Phase 2: Installation and Warranties (Subject to funding availability and approval)

Good/Service

Goods Specification or Service Scope

Equipment

i. Design requirements & Final design for Commercial Kitchen and Laundry Room

ii. Procurement of Equipment, Installation & Final Handover

Installation

Provide ongoing support during the installation phase to address design- related issues and ensure adherence to specifications.

Handover Documentation

Deliver as-built drawings, equipment manuals, and warranties for all installed items. Ensure all documents meet project requirements.
