Electrophoresis system

Product Specification for Medox Fabricated Horizontal Electrophoresis system

| Specification विनिर्देश | Sub-Spec उप-विनिर्देश | Value मूल्य |
|--|--|--|
| Standards | Certification for product | CE |
| | Certification date and number | CE-3226; 20.06.2022 |
| | Quality system certifications of manufacturer | ISO 13485 and 9001 |
| | Conformity to standard for for electrical safety latest amendment | IEC- 60601-2-40 or BIS Equivalent |
| Performance Parameters | Purpose | Horizontal Electrophoresis System refers to equipment widely used for separation of DNA & RNA on their size/mass and/or electrical charge in molecular biology, cell biology laboratories in agarose gels. |
| | Length of the Gel tray (cm) | 10 |
| | Width of the Gel tray (cm) | 15 |
| | Number of well combs | 12 |
| | Thickness of comb (mm) | 1 |
| | Maximum Sample Capacity | 28 |
| | Construction of Unit (Moulded/Fabricated) | Fabricated |
| | Type of Electrodes (Fixed/Removable) | Removable |
| | Maximum buffer volume (ml) | 400 |
| | Provision of gel casting gates for sealing the tray | Yes |
| | Easy replacement of electrode assemblies and lid removal to avoid buffer spillage | Yes |
| Provision of uv transparent gel trays with florescent ruler | Yes | |
| Power supply unit | System should be provided with atleast three sets of output terminals to deliver constant voltage or current | No |
| | Output range | NA if not provided |
| | Led display for voltage, current, power and time | No |
| | Safety feature | NA if not provided |
| Miscellaneous Parameters | Comprehensive Warranty in years | 2 |
| | Installation and demonstration to be given before acceptance | Yes |
| | Instruction manual to be supplied | Yes |
| | Number of installations of the Machine machines in Central /State/PSU Govt Hospitals(Note: Seller should supply a performace certificate of the device to the buyer if demanded after placement of order) | No Installations |
| | OEM/Reseller (if supplied to reseller shall ensure uninterputed availabilty of all spares for 10 years) | Yes |
| | Availability of toll free facility for technical support maintained by OEM or authorized agencies | Yes |
| | User/Technical/Maintenance manuals in original to be supplied in English in hard and soft copy | Yes |
| | Demonstration of equipment and training to be provided after completing supplies before acceptance | Yes |
| | The Principal Manufacturer must have direct Presence/approved service center In India | Yes |
| QA, QC and other tests as per NABH shall be carried out by OEM or authorized agency of OEM | Yes | |

Terms and Conditions | नियम और शर्तें

1. Special terms and conditions- Version:3 effective from 24-11-2023

- 1.1
- **Comprehensive warranty**
Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares,. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables .Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.
 - **Service centres**
Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address ,telephone numbers, e mails etc at time of making the supplies .It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled .Details of toll free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.
 - **Source of supply**
It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them.
 - **Packing and Marking**
Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take in to consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed .Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date , brief description of goods including quantity ,. Packing list reference number , country of origin of goods and any other relevant details.
 - **Spare Parts**
Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM . It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies .In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available.
OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied.
 - **Installation, Training, Manuals**
Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee's representatives for operating and maintaining the equipment and Supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations , training and manuals the same shall also be applicable.
 - **Electrical safety checking**
Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee. They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent .In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.
 - **Software** All software updates should be provided free of cost during warranty period.
