| SERVICES STC SPECIAL TERMS AND CONDITIONS FOR VOCATIONAL TRAINING SERVICE | | |
| 1. Preamble A. All Vocational Training Service contracts placed through GeM shall be governed by following set of Terms and Conditions: I. General terms and conditions for Goods and Services. II. Service STC contained in this document. III. BID / Reverse Auction specific ATC B. The above terms and conditions are in reverse order of precedence i.e. ATC supersedes Service specific STC which supersede GTC, whenever there are any conflicting provisions. C. This document represents a Special Terms and Conditions (STC) and the Service Level Agreement (SLA) governing the contract between the Buyer and Service Provider. The purpose of this document is to outline the scope of work, Stakeholder's obligation and terms and conditions of all services covered as mutually understood by the stakeholders. | | |
| 2. Objectives and Goal i. The objective of this agreement is to ensure that all the contractual terms and conditions are in place to ensure consistent delivery of services to buyer by service provider. The goals of this agreement are to: a) Provide clear reference to service ownership, accountability, roles and responsibilities of both parties b) Present a clear, concise and measurable description of services offered to the buyer c) Establish terms and conditions for all the involved stakeholders, it also includes the actions to be taken in case of failure to comply with conditions specified d) To ensure that both the parties understand the consequences in case of termination of services due to any of the stated reasons ii. The agreement will act as a reference document that both the parties have understood the above-mentioned terms and conditions and have agreed to comply by the same. The agreement can also be revised/ modified on mutual consent of the stakeholders. | | |
| 3. Stakeholders The main stakeholders associated with this agreement are: a. Buyer: Buyer is responsible to provide clear instructions, approvals and timely payments for the services availed b. Service Provider: Service provider is responsible to provide all the required services in timely manner. Service provider may also include seller supplier/ bidder/contractor; any authorized agents, assignees, successors and nominees as per the context and as described in the agreement The responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses payment terms and penalties in case of non-adherence to the defined terms and conditions. It is assumed that all stakeholders would have read and understood the same before signing the agreement. | | |
| 4. Service Scope The Vocational Training Service is to provide instructional programs or courses that focus on the skills required for a particular job function or trade through educational institutions or training programs. Scope of this service includes as: - Training Employees - Providing training to the Buyer's employees as per the prescribed requirement. - Content and Study Material - Providing the content and material required to all the trainees during the training session. - Induction kit/Training stationary -Provision of appropriate induction kit (if required) or mention by Buyer with appropriate content including complete schedule of the training, stationary (if required), study material etc. - Infrastructure requirements – Provision of physical facilities like classroom, equipment/instrument, drinking water and toilet facilities, accommodation facilities (for residential training) etc. required for trainees during the training - Post Training Support – Providing after training support to the buyers as per their requirements for supporting trainees as in when needed -Certification – Provision for completion of exam/certification as an official document attesting to a status or level of achievement | | |
| 5. Service Provider's Obligations i. Training content and material should be in accordance with the trainee. ii. All the training planning and control should be provided by the Training Agency/Training institute iii. Training content should be clearly defined around the Buyer's Requirement. iv. Trainer should conduct exam/review after the completion of course/subject to check the trainee's understanding on topic. v. Trainer should be expertise and equipped on the subject matter of the training to be conducted. vi. The trainer should be prepared. He should know both his job and how to teach it. On the basis of job analysis and job description, various operations should be planned. In order to avoid delays, everything must be ready before training starts. vii. Service Provider has to set up the training centre(s) as per certifying agency's norms and appoint qualified trainers within the prescribed time frame and intimate the buyer. viii. Training curriculum/content, methodology and training plan (both theory and practical) should be as per syllabus recognized by certifying agency. ix. The service provider will inform the date of commencement of the training to all the selected candidates after the placement of the service contract. x. Start the training within the time frame and ensure that all the selected candidates are present in the batch on the day of the commencement of the training itself. xi. The training services provider will be fully and directly responsible for achieving the outcomes of the training programs in full compliance with buyer requirements. It includes but not limited to all responsibilities related to quality of the training, assessment and certification and tracks them and support for a specific period as per Buyer's requirement after the completion of the training program. xii. The Training Service Provider shall promptly inform all the parties of any changes or any modifications that affects the requirements and the objectives under this Agreement. Such information shall be communicated to the buyer within 7 days of such modification. xiii. The Training Service Provider shall inform the buyer if any problem arises in conduct of the training batch and in any case should not hide such issues or any deviation from service requirements. xiv. The Training service provider shall not subcontract or outsource the whole or a part of the services, failing which the buyer can terminate the contract, impose suitable penalty, removal from empanelment by the certification authority and appropriate action on the recommendation of the buyer, | | |

xv. In case of Training at Offsite location, All physical facilities like classroom, equipment/instrument, drinking water and toilet facilities, accommodation facilities (for residential training) etc. will be provided by Training partner. These facilities must be at par or better than industry standards/ norms

xvi. In case Buyer has requirement of conducting examination for the trainees, The Training Service provider should ensure assessment and declaration of results within 30 days of completion of batch. If a candidate fails in the assessment, then she/he should be retrained for re-assessment and certification. Training and reassessment cost of such unsuccessful candidates shall be borne by training service provider.

6. Buyer's Obligation

- i. Buyer must provide the list of selected candidates including required information of the trainees to the training service provider before the start of the training.
- ii. The training being held by the service provider will regularly be monitored by the buyer and suggestions/changes will be made as and when required and the same shall be implemented by the service provider during the course of the training.
- iii. Complete details for the course to be conducted should be given to the Service Providers, to avoid any discrepancy during the training course.

Price Variation Clause:

"It is advisable to include Price Variation Clause in the long term contracts to take care of the increase/decrease in prices of various ingredients which majorly affect the overall price of the service. Buyers are therefore advised to include the Price Variation Clause (PVC) in the bid document through ATC for long term contracts. The additional payment, if any, on account of PVC can be done offline till such time online functionality is developed on GeM."
