Product Specification for Insta NX Benchtop automated nucleic acid extraction machine						
विनिर्देश Specification	उप-विनिर्देश Sub-Spec		मूल्य Value			
Performance Parameters	Purpose		Automated Nucleic Acid extraction system to efficiently automate RNA extractions as well as DNA extractions,, and their related purification protocols			
	Type of system		Open(compatible with multiple kits)			
	Portability of model		Benchtop			
	No of samples per run efficiently extracted within one hour		Up to 96			
	Minimum Sample volume		25 to 200 µl			
	Elution volume		30 to 100µl			
	Performance of machine		High nucleic acid yields, Isolate pure, high quality DNA or RNA for downstream applications such as PCR, qPCR, Reverse transcription - qPCR, sequencing			
	Heating and cooling facility		Yes			
	Machine should allow to add customize protocols		Yes			
	System should function smoothly and should not generate aerosol, spillage		Yes			
	Internal in-built memory to store protocols		Yes			
	All the necessary accessories required for working provided with the system		Yes			
	Suitable UPS Provided		Yes			
	UPS Back up time		1 hour			
Standard Parameters	Certification for product		CE-IVD			
	Certification date and number		NA			
	Conformity to Manufacturing Standards		ISO 9001 & ISO 13485			
	Conformity to Safety Standards		IEC 60601-1 or BIS equivalent			
Reports	Comprehensive Warranty		5 year			
	All spares should be available in market during warranty period as well as 5 years after the warranty		Yes			
	User manual		User Technical , Maintenance manuals to be supplied in English in hard and soft copy			
	Installation,validation, Demonstration and training to be provided at site at consignee end		Yes			
	Service Centre		The Principal Manufacturer Must Have Direct Presence/approved service center In India			
	The detailed circuit diagram along with trouble shooting procedure and operational manual would be provided to the consignee along with the equipmentt		Yes			
	Equipment should be supplied with manuals and the manuals including technical drawings should be complete in all respects to operate the system without any problem		Yes			
	Copies of all certifications and reports (Instrumental qualification /operational qualifications / performance qualification) to be provided to buyer on demand at time of supplies		Yes

नियम और शर्तें Terms and Conditions						
1. Special terms and conditions- Version:2 effective from 11-11-2022						
1.1	1. All Provisions of Drugs and Cosmetics Act, 1940 and Rules made there under as amended till date will always be applicable. This will include all notifications issued by Central Drugs Standard Control Organisation (CDSCO), Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP), Ministry of Chemicals & Fertilizers time to time in this regard.					

2. The sellers are registered on GeM based on self-declaration of valid Drug License, product certification, test reports etc. However, buyers must check and validate the details at their end for all applicable licenses and certifications e.g., validity and authenticity/genuineness of drug license, product certification, manufacturer certification/licenses, test reports etc.
3. The price offered by the seller shall not, in any case exceed the DPCO controlled price, if any, fixed by the Central/State Government, the Maximum Retail Price (MRP) and the selling price. The seller must reduce the prices if there is any reduction in DPCO ceiling price, if any.
4. Comprehensive warranty: Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables. Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.
5. Service centres: Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address, telephone numbers, e mails etc at time of making the supplies. It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled. Details of toll-free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.
6. Source of supply: It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them.
7. Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take into consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed. Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date, brief description of goods including quantity, Packing list reference number, country of origin of goods and any other relevant details.
8. Spare Parts: Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM. It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies. In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available. OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied.
9. Installation, Training, Manuals: Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee's representatives for operating and maintaining the equipment and supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations, training and manuals the same shall also be applicable.
10. Electrical safety checking: Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee .They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent .In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.
11. Software: All software updates should be provided free of cost during warranty period.
12. Any other Terms and Conditions which is not included or at variance with the conditions specified in STC/GTC, may be added by the buyer through Additional Terms and Conditions in the bid to ensure items are procured from authentic/validated source with appropriate and applicable quality. The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede specific STC which shall supersede General Terms and Conditions ("GTC"), whenever there are any conflicting provisions.

2. General Terms and Conditions-

- 2.1 This contract is governed by the [General Terms and Conditions](#), conditions stipulated to this Product/Service as provided in the Marketplace.
- 2.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable
