| Standards   | Certifications for the product  | CE   |
|   | Certification No and date   | CE-10122 Dated 15-11-2019                          |
|   | Conformity to quality management standards  | ISO 9001 & ISO 13485                               |
|   | Conformity to electrical safety standards   | IEC 60601 or BIS Equivalent                        |
| Performance Parameters  | Application   | For histopathological processing of Tissue section |
|   | Range of Working Temperature (in degree celcius)  | Upto 90  |
|   | Working temperature adjustability   | Yes  |
|   | Set temperature tolerance   | ± 2 °C   |
|   | Temperature control   | By capillary thermostat                            |
|   | Type of Basin   | Removable for easy cleaning                        |
|   | Illumination provided for excellent viewing of tissue sections  | Yes  |
|   | Capacity of water bath in litres  | 5  |
|   | Construction  | Double walled construction                         |
|   | Insulation  | Glass wool insulation                              |
|   | Construction outer body   | Aluminium with powder coating                      |
|   | Construction of inner vessel  | Black anodized Aluminium                           |
|   | Display parameters  | Set temperature and actual temperature             |
|   | Should have wide enough rim for vetting the dry slides  | Yes  |
|   | Glass tray provided   | Yes  |
|   | Heating o/p in watts  | 750  |
| Power supply  | 230 volt 50 hz , Single phase   |  |
| Supplied with power cord of minimum 3 meter length and appropriate plug | Yes   |  |
| Diameter of flotation bath  | 200   |  |
| Depth of flotation bath   | 55  |  |
| Miscellaneous Parameters  | Warranty (Option of comprehensive warranty is available through bidding only, which if opted will supersede normal warranty in the catalogue) | 3  |
|   | Copies of reports and certifications to be furnished to buyer on demand at time of supplies   | Yes  |

**टिप्पणी | Note::** Seller has given an undertaking that it has made arrangements for getting the stores from an authorized distributor / dealer / channel partner of the OEM of the offered product. At the time of delivery of goods, Seller will provide necessary chain documents (in the form of GST Invoice) to prove that the supplied goods are genuine and are being sourced from an authorized distributor / dealer / channel partner of the OEM. In case of any complaint about genuineness of the supplied products, Seller shall be responsible for providing genuine replacement supplies.

### नियम और शर्तें | Terms and Conditions

#### 1. Special terms and conditions- Version:1 effective from 03-09-2020

##### 1.1.1. Comprehensive warranty:

Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares,. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables .Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.

##### 2. Service centres:

Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address ,telephone numbers, e mails etc at time of making the supplies .It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled .Details of toll free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.

### 3. Source of supply:

It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them .

4. Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transhipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within and outside the packages and provision of accompanying documentation shall take in to consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed .Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date , brief description of goods including quantity .. Packing list reference number , country of origin of goods and any other relevant details.

### 5. Spare Parts:

Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM . It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies .In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available.

OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied

### 6. Installation, Training, Manuals:

Seller shall be responsible to carry out Installation and commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee representatives for operating and maintaining the equipment and Supplying required number of operation and maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations , training and manuals the same shall also be applicable.

### 7. Electrical safety checking:

Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee. They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent. In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.

### 8. Software:

All software updates should be provided free of cost during warranty period.

## 2. General Terms and Conditions-

2.1 This contract is governed by the [General Terms and Conditions](#), conditions stipulated to this Product/Service as provided in the Marketplace.

2.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable
