Service Level Agreement

Non-Paper Printing Services - Quantity Based

1 Agreement Overview

This Agreement represents a Service Level Agreement (“SLA” or “Agreement”) between the Buyer and Printing Service provider. The purpose of this Agreement is to facilitate the implementation of Non-Paper Based Printing Services for the use of the Buyer or any other designated person/ representative of the Buyer. This Agreement outlines the Scope of Work, Buyer’s Obligations, Special Terms and Conditions related to service delivery, and payment of services for mutual understanding of the Stakeholders. The Agreement remains valid till completion of Scope of Services or end of contractual duration (whichever is earlier) unless either superseded by a revised Agreement mutually endorsed by the Stakeholders or terminated by either of the parties thereof.

The Services contracts placed through GeM shall be governed by the following set of Terms and Conditions:

- General terms and conditions for services;
- Service Specific STC of the Services contracts shall include the Service Level Agreement (SLA) for the Service;
- BID / Reverse Auction specificATC.

The above terms and conditions are in reverse order of precedence i.e. ATC supersedes Service specific STC which supersedes GTC, whenever there are any conflicting provisions. The above set of terms and conditions along with the Scope of Work and Service Level Agreement as enumerated in the document shall be construed to be part of the Agreement between Buyer and Service Provider.

2 Objectives and Goals

The objective of this Agreement is to ensure that all the commitments and obligations are in place to ensure consistent delivery of services to Buyer by Service Provider. The goals of this Agreement are to:

- Provide clear reference to service ownership, accountability, roles, and responsibilities of both parties;
- Present a clear, concise, and measurable description of services offered to the buyer;
- Establish terms and conditions for all the involved stakeholders, it also includes the actions to be taken in case of failure to comply with conditions specified;
- To ensure that both the parties understand the consequences in case of termination of services due to any of the stated reasons

The Agreement will act as a reference document that both the parties have understood the above-mentioned terms and conditions and have agreed to comply with the same. The Agreement can also be revised/ modified on mutual consent of the stakeholders.

3 Parties to the Agreement

The main stakeholders associated with this agreement are below-

- Buyer:** The buyer is responsible to provide clear instructions, approvals, and timely payments for the services availed
- Service Provider:** The service provider is responsible to provide all the required services in a timely manner. The service provider may also include the seller, any authorized agents, assignees, successors, and nominees as described in the agreement

The responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses service level/ penalties in case of non-adherence to the defined terms and conditions. It is assumed that all stakeholders have read and understood the same before signing the document.

4 Scope of Services

The scope of “Non-Paper-based Printing Service” is to print a wide variety of products like Plastic flex, standees, cloth flex, plastic banner, cloth banner, signage, nameplates, etc. of the specified number on/ of required dimensions.

a. Flexes and Banners

Flexes and banners are digitally printed ubiquitous communication mediums. It is most widely used for outdoor advertising as it is flexible, durable, economical, and reusable. Printed Flex and Banners are durable, fade-resistant, and tear-resistant materials that can be used for outdoor as well as indoor advertising and imparting information. Printed flex banners can be used in hoardings, events, exhibitions, etc. for pasting or hanging with eyelets. It has to be applied externally.

b. Signages

Signage is the design or use of signs, letters, and symbols to communicate a message, or information to the public or a specific group, usually for the purpose of marketing or information. Some of the most frequently used signages are ‘Exit’, ‘Toilets’, ‘Entry Restrictions’, ‘No Smoking’, ‘Corridor Directions’, etc

c. Nameplates

It is an engraved plate with letters, attached to something and bearing the name of the owner, position, occupier, maker, or the thing itself. Some of the most frequently used nameplates are 'official names with designations', 'meeting room names', 'conference room names', etc.

d. Cards

A card is usually a rectangular piece of stiff paper, thin pasteboard, or plastic for various uses, such as to write information on or printing as a means of identifying the holder.

2. The order should be aligned to the specifications chosen by the buyer. The quality of the material should not deviate from what is chosen by the buyer

4.2 Defined Timelines

1. Since timely delivery is one of the most important aspects of this service contract, the Service Provider shall ensure that the order should be delivered as per the timelines defined in the purchase order.
2. Any kind of delay in the delivery of printed orders shall attract deductions.

4.3 Service Assumptions

1. The Service Provider shall not transfer or assign or sublet any part of the service once agreed or any share or interest here in any manner or degree directly or indirectly to any person, firm, or corporation whatsoever.

5 Service Provider's Obligation

1. The Service Provider shall ensure the level of service provided is of the highest professional standard and shall ensure full compliance with the terms and conditions of the contract.
2. The Service Provider at his/ her own cost shall arrange all the equipment(s), materials (in case of printing with the material), and other things/ services, etc. necessary for printing. The Buyer shall provide only the manuscript (both hard and soft copies).
3. The Service Provider shall do the printing and deliver printed material in accordance with the conditions of the Agreement at the time and place and in the manner as specified by the Buyer.
4. The Service Provider shall, whenever called upon to do so, give full particular information with regard to any work in hand and shall also permit an official deputed by the Buyer to inspect his printing premises at all required times. The Service Provider shall give assistance and information as may be required by him/ her in connection with any contract or contracts.
5. Design should be given by Service Provider based on the Buyer's requirement. The Service Provider shall provide a sample copy with the final design to the Buyer before proceeding with the printing of the complete assignment. The service provider should clearly work as per detailed layout design, font size, style, color, alignment, spacing, pagination, etc.
6. The service provider shall be responsible for ensuring compliance with the provisions related to Labour Law [Central/State] and especially Minimum Wages Act, Payment of Wages Act, PF, ESI Act, Payment of Bonus Act, Contract Labour [R&A] Act, Workmen Compensation Act, etc. as applicable from time to time. The employees of the Service Provider shall not be deemed to be employees of the Buyer; hence compliance with the applicable acts/ laws will be the sole responsibility of the service provider.

6 Buyer's Obligations

1. The Buyer Department may choose to provide a specimen in the form of a hard/soft copy indicating the rough layout of tables/graphs/text matters etc. to give an idea of general get up etc. This is, however, not to be treated as a sample.
2. Materials (content etc) provided for printing by Buyer shall be rigorously verified for authenticity, clearness, and legibility before being handed over to Service Provider.

7 Service Tracking

Tracking of services ensures the quality of service delivery in time bound manner, effective service tracking helps in analyzing Service Provider's performance as well as the Buyer's timely inputs for services and leads to immediate actions against the defaulters if any. Service tracking shall be mandatory for both Buyer and Service Provider.

7.1 Logbook

1. The Service Provider shall maintain a logbook which should be signed by the buyer to verify the materials delivered to the buyer.
2. The service provider shall thereafter upload the logbook on the GeM portal as per the logbook process flow.
3. Once the service provider updates the logbook online, the Buyer shall either accept or reject these entries within the prescribed time limit. The buyer will also record any incident of non-delivery or non-performance issues, and subsequent deductions shall be levied. Failure to take action on logbook entries updated by the service provider

shall be deemed acceptable to all.

4. The Service Provider can raise an issue against the rejection of any entry by the buyer within the timelines of such rejection with the designated representative of the buyer.

7.2 Service Performance and Feedback

1. The principal point of contact for the issues arising out of this Agreement will be the Service Provider or a designated representative who shall be any employee of the Service Provider in an administrative and managerial capacity and in a position of authority to resolve issues. Nonetheless, the Service Provider shall be solely responsible for maintaining the quality and level of service provided.
