### Product Specification for People Link LCD Infrared optical 3840X2160 interactive panels and accessories

| विवरण   Specification | उप-विवरण   Sub-Spec  | मूल्य   Value                         |
|-----------------------|--|---------------------------------------|
| Specification         | Display Type   | LCD                                   |
|                       | Display Panel Diagonal size (mm)   | 1650.9902                             |
|                       | Width of The Effective Display Area of The Panel (mm)  | 1488                                  |
|                       | Height of The Effective Display Area of The Panel (mm)   | 950                                   |
|                       | Backlight Technology   | LED                                   |
|                       | Display Resolution (Pixels)  | 3840X2160                             |
|                       | Display Brightness (Nits)  | 350                                   |
|                       | Display Aspect Ratio   | 16:9                                  |
|                       | Touch interface  | Touch sensitive as well as pen driven |
|                       | Touch Technology   | Infrared optical                      |
|                       | Number of touch points (Number)  | 20                                    |
|                       | Response time (milli seconds)  | 6                                     |
|                       | Operating System Compatibility   | Win10/mac/android                     |
|                       | Number of Input HDMI ports   | 3                                     |
|                       | Number of USB 2.0 ports (Nos.)   | 1                                     |
|                       | Number of USB 3.0 ports (Nos.)   | 4                                     |
|                       | Number of Audio Input ports (Number)   | 1                                     |
|                       | Number of audio output ports (Nos.)  | 1                                     |
|                       | Number of RS-232 C ports (Nos.)  | 1                                     |
|                       | Number of RJ 45 ports (Nos.)   | 1                                     |
|                       | Number of VGA-IN ports (Number)  | 1                                     |
|                       | Number of VGA-OUT ports (Number)   | 0                                     |
|                       | Provision of in built speakers   | Yes                                   |
|                       | Provision for wall mounting  | Yes                                   |
|                       | Bluetooth connectivity   | Yes                                   |
|                       | Wi-Fi connectivity   | Yes                                   |
|                       | Number of electronic pen or stylus to be supplied with the board (Nos)                                 | 2                                     |
|                       | Details of software provided   | Android                               |
|                       | Power Supply Voltage in AC (Volts)   | 100-240                               |
|                       | Power consumption (Watts)  | 230                                   |
|                       | Operating Temperature Range (degree celsius)   | -10 to 50                             |
|                       | Operating Humidity (%)RH   | 10 -85                                |
|                       | Installation Kit to be supplied alongwith the Panel  | Yes                                   |
|                       | All connecting Cables and accessories to be supplied along with the Panel                              | Yes                                   |
|                       | BIS Registration under CRS of Meity  | Yes                                   |
|                       | BIS Registration Number & its Validity   | R-63002771 17Apr2024                  |
|                       | Availability of test reports from Central Govt /NABL / ILAC accredited Lab covering all the parameters | No                                    |
|                       | Test Report Number   | NA                                    |
|                       | Test Report date   | NA                                    |
|                       | Name of Test lab   | NA                                    |
|                       | Address of the Test lab  | NA                                    |
|                       | On Site OEM Warranty (Year)  | 3                                     |
