NAGAR,	Inc. Portable X-Ray s: AUTONOMOUS STATE MEDICAL COLLEGE SIDDHARTH Machine HNAGAR, UTTAR PRADESH-272207, India	- 1 19-Apr-2024 04-May-2024			
Product Specificat	ion for Professional Imaging Inc. Portable X-Ray Machine				
विनिर्देश Specification	उप-विनिर्देश Sub-Spec	मूल्य Value			
	Product Description	Portable X-Ray Machine			
GENERAL	Purpose	Portable X-ray machines are medical imaging devices designed to produce X-ray images of a patient's internal structures			
	Type of frequency Generator	High Frequency			
	Frequency generator output in kW	4			
	Voltage Output range in kV	40 to 100			
	Tube Current in mA	100			
	Maximum Exposure time in milli sec	upto 40			
	mAs Range	0.5 to 200			
	Nominal focal spot size in mm	1 to 3			
	Inherent Filtration of x-ray	Yes			
	Collimator provided	Yes			
	Type of Collimator	Manual			
	Focal Spot size in mm	2 to 3			
	Automatic exposure control device provided	Yes			
	Digital display for kV & mAs supplied	Yes			
	Electronic timer supplied	Yes			
		Yes			
	Provision of Anatomical programming radiography(APR)	Stationary Anode			
PRODUCT NFORMATION	X-ray tube system Anode speed in rpm (Hint: for rotating anode the speed should be 2500 or more and for	0 for stationary anode			
	stationary anode 0) The unit should be easily positioned (from either side of the bed) for imaging in all possible	Yes			
	Portable X-ray machine shall be easily transportable and steering on caster wheel	Yes			
	Provision of effective braking system for parking,transport and emergency braking	Yes			
	Lead Aprons - Full body and Skirt type	4 No each (0.5pb)			
	No of Thyroid shield and Gonald Shield	4 No each			
	X-ray exposure command control	Hand switch			
	Power Cable length in meter	≥3			
	X- ray film Cassette holder available	Yes			
	•				
	X-ray film cassette holder size in mm x mm	35 x 43			
	X-ray film cassette holder size in mm x mm Power supply	35 x 43 Single Phase AC (220-240 V,50 Hz)			
	Power supply	Single Phase AC (220-240 V,50 Hz)

	Manufacturing unit certification	ISO:13485 (Latest)
	Additional voluntary certification available	YES
	Availability of Test Report for each supplied batch/product as per Medical Device Rules (MDR) 2017 as amended till date	Yes
	Electrical Safety Standards	IEC 60601-2-54 or Equivalent BIS Standard
	Submission of all necessary certifications, licenses and test reports to the buyer at the time of bid submission and/or along with supplies as per buyer requirement	Yes
WARRANTY	Warranty in years (Option of comprehensive warranty is available through bidding only, which if opted will supersede normal warranty in the catalogue)	5 year
	OEM/Reseller shall ensure uninterrupted availability of all spares for 10 years	Yes
	User/Technical/Maintenance manuals to be supplied in English in hard and soft copy	Yes
	Details of equipments and procedures required for local calibration and routine maintenance to be supplied and advanced maintenance task documentation also to be furnished	Yes
	List of important spares and accessories, with their part numbers to be supplied to the buyer at the time of supplying the equipment	Yes
MISCELLANEOUS PARAMETERS	Principal Manufacturer must have direct Presence/approved service center In India	Yes
PARAMETERS	Availability of toll free facility for technical support maintened by OEM or authorized agencies	Yes
	Installation and demonstration of equipment and training to be provided after completing supplies before acceptance	Yes
	QA, QC and other tests as per NABH shall be carried out by OEM or authorized agency of OEM	Yes
	Copies of all calibration reports to be submitted at the time of Supply of Machine	Yes
	Time to attend breakdown calls	within 48 hours
Additional Requirements	Additional Requirements	NA

नियम और शर्तें|Terms and Conditions

- 1. Special terms and conditions- Version:1 effective from 06-10-2023
- 1. All Provisions of Drugs and Cosmetics Act, 1940 and Rules (including Medical Device Rule 2017) made there under as amended till date will always be applicable. This will include all notifications issued by Central Drugs Standard Control Organization (CDSCO), Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP), Ministry of Chemicals & Fertilizers time to time in this regard.
 - The sellers are registered on GeM based on the submission of valid Drug License and self declaration of product certification, test reports etc. However, buyers must check and validate the details at their end for all applicable licenses and certifications e.g., validity and authenticity/genuineness of drug license, product certification. manufacturer certification/licenses. test reports etc.
 - 3. In case of authorized resellers/distributors, it will be the legal & regulatory liability of the manufacturer to ensure that their resellers/distributors are operating in compliance with all relevant laws and regulations and are properly licensed to sell the manufacturer's products, including verifying the validity and authenticity of drug license held by them.
 - 4. The price offered by the seller/bidder shall not, in any case exceed the DPCO/NPPA controlled price or price fixed by State Government, if any. The seller must reduce the prices if there is any reduction in DPCO/NPPA ceiling price or price fixed by State Government, if any.
 - 5. Any other Terms and Conditions which is not included or at variance with the conditions specified in STC/GTC, may be added by the buyer through Additional Terms and Conditions (ATC) in the bid to ensure items are procured from authentic/validated source with appropriate and applicable quality. The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede specific STC which shall supersede General Terms and Conditions ("GTC"), whenever there are any conflicting provisions.
 - 6. Comprehensive warranty: Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables. Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.
 - 7. Service centres: Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address, telephone numbers, e mails etc at time of making the supplies. It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled. Details of toll-free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.
 - 8. Source of supply: It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them.
 - 9. Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transhipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,.

Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take into consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed. Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date, brief description of goods including quantity, Packing list reference number, country of origin of goods and any other relevant datale.

- 10. Spare Parts: Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM. It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies. In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available. OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied.
- 11. Installation, Training, Manuals: Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee's representatives for operating and maintaining the equipment and supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations, training and manuals the same shall also be applicable.
- 12. Electrical safety checking: Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee. They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent. In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.
- 13. Software: All software updates should be provided free of cost during warranty period.

2. General Terms and Conditions-

- 2.1 This contract is governed by the General Terms and Conditions, conditions stipulated to this Product/Service as provided in the Marketplace.
- 2.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable
