नियम और शर्तें   Terms and Conditions						
1. General Terms and Conditions-						
1.1 This contract is governed by the <a href="#">General Terms and Conditions</a> , conditions stipulated to this Product/Service as provided in the Marketplace.						
1.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable						
2. Buyer Added Bid Specific Terms and Conditions-						
2.1 <i>Generic</i> OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity by up to 25% of the contracted quantity during the currency of the contract at the contracted rates. Bidders are bound to accept the orders accordingly.						
2.2 <i>Scope of Supply</i> : Scope of supply (Bid price to include all cost components) : Only supply of Goods						
2.3 <i>Buyer Added Bid Specific ATC</i> : Buyer Added text based ATC clauses						
Bids shall be evaluated on site cost basis. The item-wise L1 bidder is decided, by taking the lowest site cost among all the bidders. In case of tender issued on package basis, L1 bidder is decided by taking the lowest overall total site cost of all items tendered.						
If L1 bidder is MSE, 100% of the supply will be procured from them. If L1 bidder is not an MSE, then the following criteria will be considered:						
1) In tender, if L1 firm has not opted for MSE preference, then other participating MSEs with quoting price within price band of L1+15% shall be allowed to supply a portion of the requirement after matching their price to L1 price and will be awarded order for 25% of total supply on price match with L1 firm price.						
2) In case of more than one such MSE in purchase preference(L1+15%), then the 25% supply shall be shared proportionately (to tendered quantity) i.e., in case two or more MSEs are within L1 + 15%, all such vendors will be addressed to match their prices to L1 price and shall share the 25% of the ordered value equally.						
3) Further, in case of non-divisible tenders, an MSE with lowest price quoting in the price band of L1+15% will be awarded for full/complete supply of tendered value, considering the spirit of policy for enhancing the government procurement from MSEs, subject to bringing down of price to L1 by the MSE concerned. If price not matched with L1 price, next MSE as per reverse auction ranking will be addressed for the same if price quoted is in purchase preference (L1+15%) and so on.						
4) If none of the MSE firm matches their price to L1 price, then full quantity will be awarded to L1 firm
