Compatible Cartridge covered in the category is the cartridge having the brand different than the respective printer brand or is manufactured by an entity other than OEM of the printer and is meant to fit in a particular printer for replacing OEM Cartridges.  |   |  |   |   |             |             |
| (2) The Compatible OEMs are those entities who are vendor-assessed as per the special VA criteria applicable for compatible cartridges and have been allowed in the category based on favorable vendor assessment reports. They are required to upload catalogues strictly in terms of the VA report   |   |  |   |   |             |             |
