(b)meets the agreed stakeholder needs (c) covers whole-of-life of the contract deliverables .</li> <li>● The objective, structure and expected set of contents of each knowledge item/deliverable should be laid down, in as much detail as possible, rendering the best level of clarity to it.</li> <li>● The coverage of services needed in the form of activities like client visits, geographies to be studied, stakeholder meetings / interviews / workshops to be conducted, must be detailed out to avoid delivery compromises .</li> <li>● Buyer must ensure that the service provider complies with the Rule 144(xi) of General Financial Rules (GFR), 2017 and the product supplied, if any, must also comply with Make In India guidelines of DPIIT"</li> </ul> <p><b>Important Note :</b> Buyers authorities are advised to upload GAR report positively and without fail at appropriate place to ensure process complinace .
