1

Agreement Overview

This Agreement represents a Service Level Agreement (“SLA” or “Agreement”) between the buyer and Laundry Service provider. The purpose of this agreement is to facilitate implementation of Laundry Service from the buyer’s premises or any other premises designated by buyer. This Agreement outlines the scope of work, buyer’s obligations, special terms and conditions related to service delivery and payment of services for mutual understanding of the stakeholders. The Agreement remains valid till completion of scope of services or end of contractual duration (whichever is earlier) unless either superseded by a revised agreement mutually endorsed by the stakeholders or terminated by either of the parties thereof.

The Services contracts placed through GeM shall be governed by following set of Terms and Conditions:

1. General terms and conditions for Services;

2. Service Specific STC of the Services contracts shall include the service level agreement (SLA) for the service;

3. BID / Reverse Auction specific

The above terms and conditions are in reverse order of precedence i.e. ATC supersedes Service specific STC which supersede GTC, whenever there are any conflicting provisions. The above set of terms and conditions along with scope of work and service level agreement as enumerated in the document shall be construed to be part of the Contract between Buyer and Service Provider.

2

Objectives and Goals

The objective of this agreement is to ensure that all the commitments and obligations are in place to ensure consistent delivery of services to buyer by service provider. The goals of this agreement are to:

1. Provide clear reference to service ownership, accountability, roles and responsibilities of both parties

2. Present a clear, concise and measurable description of services offered to the buyer

3. Establish terms and conditions for all the involved stakeholders, it also includes the actions to be taken in case of failure to comply with conditions specified

4. To ensure that both the parties understand the consequences in case of termination of services due to any of the stated reasons

The agreement will act as a reference document that both the parties have understood the above- mentioned terms and conditions and have agreed to comply by the same. The agreement can also be revised/ modified on mutual consent of the stakeholders.

3

Parties to the Agreement

The main stakeholders associated with this agreement are below-

1. **Buyer:** Buyer is responsible to provide clear instructions, approvals and timely payments for the services availed

2. **Service Provider:** Service provider is responsible to provide all the required services in timely manner. Service provider may also include seller, any authorized agents, assignees, successors and nominees as described in the agreement

The responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses service level/ penalties in case of non-adherence to the defined terms and conditions. It is assumed that all stakeholders have read and understood the same before signing the document.

4

Scope of Services

This service deals with Laundry Service for providing end to end solutions, which includes the following:

1. Dry cleaning (premium clothing fabrics, additional relevant material,)

2. Wet cleaning (easy/daily-use clothing, Bedsheets, Towels, Pillow Cover etc)

3. Upholstery care (furniture, carpets, curtains, etc).

Buyers of this service will have the option to choose from the following type of Laundry Service Models along with this Buyers can also include addons as per their requirement.

Laundry Service Model

Pick up & Drop Model

In this type of model, the Service Provider will pick dirty linen/cloths and other laundry items from the buyer premises and under the defined time by buyer, service provider will deliver the cleaned

	linen/cloths and other laundry items to the Buyer premises after washing in his own Premises.
