[F.NO.2/1/2008/PPRA -RA.III]

SPECIFICATIONS-TECHNICAL PROVISIONS**1. GENERAL**

- 1.1 All designs, equipment, materials and workmanship shall comply with and be tested in accordance with requirements of the specifications. Equipment or parts, which are not covered by the specifications, shall comply with rules, codes and regulations of the international electro-technical commission or approved National Standardizing bodies.
- 1.2 In case of contradiction between the technical requirements mentioned herein and relevant specifications appended with the tender, the former shall prevail.
- 1.3 The specific reference in these specifications and documents to any material/equipment by brand name, make or catalogue number shall be constructed as establishing standards of quality and performance and not as limiting competition. However, Bidders may offer other similar material/equipment provided they meet the specified standard, design and performance requirements. The Bidder shall furnish adequate technical information about such alternative material/equipment to enable Purchaser to determine its acceptability. Purchaser shall be the sole judge on the acceptability or otherwise of such alternative material/ equipment.
- 1.4 The Bidder Shall note that standards for workmanship, material and equipment and reference to brand names or catalogue numbers designated by Purchaser in its Technical Specifications are intended to be descriptive only and not restrictive. The Bidder may substitute alternative standards, brands name and/or catalogue numbers in its Bid, provided that it demonstrates to Purchaser satisfaction that the substitutions are substantially equivalent or superior to those designed in the Technical Specifications.
- 1.5 The contract shall be executed in strict conformity with the specifications and/or Drawings given or mentioned in this section and the supplier shall do no 'Work' without proper specifications, instructions and/or Drawings.
- 1.6 Specifications and/or drawings are intended to complement each other so that if anything is shown on the drawings as required but not mentioned in the specifications or vice versa. It shall be of like effect as if shown or mentioned in both. If any errors, omissions or discrepancies are found in the figures, specifications and/or drawings or, if any feature shall appear to the supplier to be indefinite or unclear, the same shall be referred to the Purchaser whose written explanation and/or clarification shall be obtained before proceeding with the work.
- 1.7 Approval by the Purchaser does not relieve the Manufacturer/Supplier of his responsibility to do the work in accordance with the Contract.
- 1.8 The Manufacturer/ Supplier shall be responsible for any discrepancies, errors omissions in any drawings or other particulars supplied by him whether the Purchaser has approved such drawings or particulars or not.
- 1.9 All drawings and documents furnished by the Manufacturer/Supplier in accordance with the Contract shall become the property of the Purchaser.

- 1.10 Wherever reference is made in the Technical Specifications to specific standards and codes to be met by the goods and materials to be furnished or tested, the provisions of the latest current edition or revision of the relevant standards or codes in effect shall apply, unless otherwise expressly stated in the Contract. Where such standards and codes are national or relates to a particular country or regions, other authoritative standards that ensure substantial equivalence to the standards and codes specified will be acceptable.
- 1.11 NTDC reserves the right to delete or increase/decrease any item from any Lot before award of contract.

2 LANGUAGE

All correspondence, literature, drawings, name plates, diagrams, applicable data, equipment details, instructions and maintenance books and manuals, spare parts, books and descriptive data shall be in the English language.

3. TYPE TESTS

- 3.1 The offered equipment shall be type tested as per revised NTDC type test policy and in accordance with relevant provisions of the specifications. The said policy is attached with this document.
- 3.2 The bidder shall furnish type test certificates/reports for the offered equipment along with the bid. All type test certificates/reports, reference list, etc. shall be in English language.
- 3.3 As per NTDC type test policy, the Bidder shall submit an unconditional Undertaking duly signed and stamped by bidder duly supported by manufacturer(s) in technical bid that in case of award of contract if submitted type test reports are not according to NTDC type test policy, he will carry out type tests as per NTDC Type Test Policy within the quoted Bid price and without affecting the delivery/ completion period as mentioned in the Bidding Document. In case of failure to submit an undertaking of Type Tests as per NTDC Type Test Policy along with the bid or in response to post bid clarification, the bid shall be rejected.

4. DETAILED TECHNICAL SPECIFICATIONS

The following technical specification, provided in Volume II (CD), shall apply. The requirements indicated in subsequent clauses shall also have to be met. In case any requirement given in the said clauses differs from those given in the main specification, the requirement given herein shall prevail.

Lot	Description	Specification
I	Three Phase Pad mounted 11,000/415 Volts Transformers	P-41
II	Sheathed Insulated Distribution Cables 600 Volts (SID Cables)	DDS-8:07
III	Steel Nuts and Bolts (Inch Series)	P-19:83
	Plain Steel Washers	P-20:68

- vi. Further, a manufacturer eligible as per clause IB-3 f (i) & participating as single entity bidder, it shall have financial resources (such as liquid assets, lines of credit, other

financial means) minus the total current commitments, not less than:

Lot	Description	Minimum Required Cash Flow (Million US\$)
I	Procurement of 11.5/0.415kV 200KVA Pad Mounted Transformers	0.028
II	Procurement of Sheath Insulated Distribution Cables	0.045
III	Procurement of 245kV Post Insulators	0.080

- vii. In case, a manufacturer that is eligible as per clause IB-3 f (ii) & participates as a Joint Venture partner with other qualified manufacturer/partner, the said "other qualified partner" shall meet the afore-mentioned financial criteria IB 3A)a)6 (i), (ii), (iii) & (iv).

(Note: total value of contract(s), average annual turnover and financial resources shall be converted to equivalent US\$/PKR using the Telegraphic Transfer and On Demand (TT&OD) composite exchange rates (selling) published by National Bank of Pakistan prevailing twenty eight (28) days prior to the date of the opening of Bids.)

7. Litigation History

Bidders are requested to submit details of all litigation, arbitration and other claims whether pending, threatened or resolved in the last five years. The Purchaser may disqualify the Bidder in the event that the total amount of pending or threatened litigation, arbitration or other claims represents twenty five percent (25%) of the Bidder's net worth. Details in this regard should be submitted in the prescribed format given in Appendix-L to Bidding Data.

The Qualification of the Bidders will be based on meeting the pass/fail criteria as demonstrated by the Bidders' responses in the respective Appendices.

The above stated requirements are the minimum and the Purchaser reserves the right to request for any additional information. The Purchaser also reserves the right to reject the proposal of any Bidder, if in the opinion of the Purchaser the qualification details are incomplete, ambiguous or the Bidder is found not qualified to satisfactorily perform the Contract.

The above stated Appendices should be completed as per prescribed format and submitted along with required attachments. The missing or incomplete information/documents may render the bid substantially non-responsive. In this regard, the Purchaser does not have an obligation to request any document/certificates.

IB.4 One Bid per Bidder

- 4.1 Add the following at the end of sub-clause 4.1:

Two or more firms partially or wholly owned or directed by common individuals, regardless of the extent of their shares or interest with each other shall not be eligible to bid or compete for the same tender. Only one such firm shall be eligible to bid for a tender. However, such firms may form a joint venture to bid as one venture.

operational experience for at least one (01) year or 15 months from date of delivery.

However, in case that the same local bidder/firm has been awarded as a JV partner in any previous NTDC contract, then, the local bidder/firm can take part in NTDC tenders as sole entity only after successful completion of that first order along with its successful operational experience for at least one (01) year or 15 months from date of delivery.

Or

ii. As a Joint Venture partner with other qualified bidders/manufacturers.

However, in case that the same JV has already been awarded any NTDC tender, then, the JV must have successfully completed that first regular order.

The following Clause is added after Clause IB 3

IB 3A Qualification of the Bidder

a) To be qualified for award of a Lot, the Bidder shall meet the experience, capability and adequacy of resources as per criteria delineated herein below:

1. Contract Experience

i. The Bidder must have successfully completed supply contract(s) regarding substation/Transmission Line material within the last ten (10) years, having total value of contract(s) (i.e. sum of value of multiple contracts) at least equivalent to or more than the amounts quoted below:
