Dear Sir/Madam:

DRC provides protection and life-saving humanitarian assistance; supports displaced persons in becoming self-reliant and included into hosting societies; and works with civil society and responsible authorities to promote protection of rights and peaceful coexistence.

DRC has been operational in Somalia since 1998 and is currently among the largest international (INGOs) in the country, with country-wide programmes implemented through its offices in South Central Somalia, and Somaliland, Puntland and Galmudug regions.

Danish Refugee Council (DRC) invites all interested and eligible suppliers, Contractors and Service providers to apply for prequalification by submitting fully completed document packages and up-to-date information before the closing date specified in the section below.
